

Your Strong Foundation

Original Medicare benefits began in 1966. We issued our first Medicare supplement policy in 1966.

And over the course of 55 years, we grew to be the second largest Med supp carrier in the U.S. That's 1.3 million policyholders and \$3.1 billion in earned premium for 2022.

In 2017 and 2018, we launched Mutual of Omaha dental insurance and Mutual of Omaha RxSM (PDP) to help customers complete their health plan by working with one company. In 2020, we added Mutual PerksSM to help customers get more from their policy.

Mutual of Omaha is rated A+ Superior by A.M. Best Company and is a proud member of the Fortune 500 list.
